APPLICATION PACKET FOR SPRING 2024 ASSOCIATE IN SCIENCE DEGREE – FUNERAL SERVICE EDUCATION ONE YEAR PLAN

PROGRAM INFORMATION

The Funeral Service education associate degree Program at American River College is accredited by the American Board of Funeral Service Education (ABFSE), 992 Mantua Pike, Suite 108 Woodbury Heights, NJ 08097 (816) 233-3747 Web: <https://abfse.org>. The program consists of a combination of general education and funeral service education courses with related laboratory experience. Successful completion of the program qualifies the student to take the National and California Board Examination to become a licensed embalmer. In order for a student to graduate from the Funeral Service Education Program, the student must maintain a grade of “C” or better in all coursework including general education courses and successfully register for the National Board Examination. The student is responsible for providing professional attire uniform, laboratory fees, necessary equipment, and transportation to off-campus laboratory locations. Program costs are approximately \$3,000. School fees are additional. All costs/fees are subject to change.

PRIMARY OBJECTIVES OF THIS PROGRAM

Upon completion of this program, the student will be able to:

- explain the importance of funeral service professionals in developing relationships with the families and communities they serve.
- identify standards of ethical conduct in funeral service practice.
- interpret how federal, state, and local laws apply to funeral service in order to ensure compliance.
- apply principles of public health and safety in the handling and preparation of human remains.
- demonstrate technical skills in embalming and restorative art that are necessary for the preparation and handling of human remains.
- demonstrate skills required for conducting arrangement conferences, visitations, services, and ceremonies.
- describe the requirements and procedures for burial, cremation, and other accepted forms of final disposition of human remains.
- describe methods to address the grief-related needs of the bereaved.
- explain management skills associated with operating a funeral establishment.
- demonstrate verbal and written communication skills and research skills needed for funeral service practice.

GOALS OF THE FUNERAL SERVICE EDUCATION PROGRAM

As an accredited mortuary college our program goals and objectives are as follows:

- To prepare students to be members of a human services profession
- To prepare students to be members of the community in which they serve
- To be participants in the relationship between bereaved families and those engaged in the funeral services profession.
- To offer professional knowledge of and compliance with federal, state provincial/territorial, and local regulatory guidelines
- To be sensitive to the responsibility for public health, safety and welfare in caring for human remains

REQUIREMENTS FOR ENROLLMENT TO THE PROGRAM

1. Graduation from an accredited high school in the United States or successful completion of General Education Development (GED) or California High School Proficiency Exam (CHSPE) prior to time of application: (Transcript must be an **official** transcript in a **sealed envelope** from the institution that issued the diploma.
