<tbody>
<tr>
<td>HCD 111</td>
<td>College Discovery Program</td>
<td>1</td>
<td>This course is designed to teach about options and resources relevant to student success at American River College. The focus is on academic and personal goal setting, campus resources, academic requirements, basic study skill development, and strategies that are compatible with academic success.</td>
</tr>
<tr>
<td>HCD 114</td>
<td>Human Potential Seminar</td>
<td>2</td>
<td>This course provides an in-depth examination of techniques and strategies to be used in enhancing a student’s chance for academic success in college. It is designed for students who need assistance to achieve their goals in higher education. Topics include motivation, goal setting, communication skills, time management, exam preparation, note taking, reading college textbooks, and the use of technology as it relates to being a student.</td>
</tr>
<tr>
<td>HCD 115</td>
<td>Orientation to College</td>
<td>.5</td>
<td>This course is an introduction to college services and programs at American River College. Topics covered include campus resources, procedures, and college requirements. Additionally, a campus tour is required.</td>
</tr>
<tr>
<td>HCD 122</td>
<td>Study Skills</td>
<td>1</td>
<td>This course covers specific study skills strategies. It provides the opportunity to analyze attitudes toward studying and current study skills or habits. Topics include specific learning styles, strategies for time management, goal setting, note-taking, memory improvement, reading skills, and how to prepare for and take exams.</td>
</tr>
<tr>
<td>HCD 160</td>
<td>Applied Life and Success Skills</td>
<td>2</td>
<td>This course covers the skills and tools necessary for daily independent living and success as a college student. It focuses specifically on disability management, life skills, personal goals, and community and campus resources. It would also be appropriate for those students interested in a career with disability services.</td>
</tr>
<tr>
<td>HCD 310</td>
<td>College Success</td>
<td>3</td>
<td>This course covers the skills and knowledge necessary for college success. Topics include motivation, self-discipline, learning styles, memory development, time management, communication skills, goal-setting, career planning, study skills and techniques, and critical thinking skills. Additionally, it covers personal issues that are commonly encountered by many college students. Campus resources, college regulations, and information competency are also addressed. This course is highly recommended for first-time college students and/or continuing college students who would benefit. Field trips may be required.</td>
</tr>
<tr>
<td>HCD 318</td>
<td>Transfer: Making It Happen</td>
<td>2</td>
<td>This course provides a comprehensive study of the university transfer process as it relates to community college students. Topics include an overview of American higher education, transfer admissions requirements, college research, major selection, transfer resources, student support services, transitional issues, the college application process, and preparation for graduate and professional education. Field trips may be required.</td>
</tr>
<tr>
<td>HCD 330</td>

HCD 336 Exploring Health Careers 1 Unit
General Education: AA/AS Area III(b)
Course Transferable to CSU
Hours: 18 hours LEC
This course introduces a wide variety of health-related occupations with particular emphasis on educational programs and career opportunities. Through analysis of interests, personality, and research, an individual college/career plan is developed.

HCD 337 Exploring Health Careers 1 Unit
Advisory: ENGWR 102 or 103, or ESLW 320 with a grade of “C” or better; and ESLL 320 with a grade of “C” or better; or placement through the assessment process.
Course Transferable to CSU
Hours: 18 hours LEC
This course provides an opportunity to obtain information about a variety of health professions. This course explores the requirements to enter various health fields, including education, licensures, and volunteer experience. In addition, it offers opportunities to observe and gain knowledge in order to choose an appropriate health career goal.

HCD 364 Introduction to Peer Mentoring 1.5-4 Units
Prerequisite: HCD 111, 114, 115, 310, or 318 with a grade of “C” or better
Course Transferable to CSU
Hours: 18 hours LEC; 45-162 hours LAB
This course offers instruction on the role of the peer mentor at the community college level. Topics include skills and strategies associated with interpersonal communication, peer leadership, collaborative learning, problem solving, and assisting students in how to effectively and efficiently assist their peers in managing college and life experiences. This course is only open to students who have been selected to serve as peer mentors in an on-campus program, such as the First Year Experience, SAGES, Journey program, MESA, Puente, EOP&S, and Umoja.

HCD 380 Specific Learning Skills Assessment 1 Unit
Enrollment Limitation: Course requires a mandatory orientation to determine appropriateness of assessment for learning disabilities.
Course Transferable to CSU
Hours: 18 hours LEC
This course is designed for the student with special learning difficulties who may have a specific learning disability. This course includes a series of individual assessments of learning strengths and weaknesses to determine eligibility for Learning Disabilities services using criteria mandated by the California Community College Learning Disabilities Eligibility and Services Model (LDESM). A portion of this course may be offered in a TBA component of 18 hours which may include meeting with instructor to: determine eligibility; discover learning styles and study strategies; accessing and utilizing campus resources; practice using adaptive software. Pass/No Pass only.

HCD 382 Specific Learning Strategies 3 Units
Advisory: Eligibility for ENGRD 116 and ENGWR 101; OR ESLR 320 and ESLW 320
General Education: AA/AS GE Area III(b)
Course Transferable to CSU
Hours: 54 hours LEC
This course provides a universal learning environment that supports students with specific learning differences, through adaptive strategies and techniques essential for achieving academic and personal success. Topics include adaptive technology, organization, learning modalities, time management, memory development, motivation, note-taking, personal wellness, study skills, testing techniques, and critical thinking methods. Also covered are communication approaches, personal and academic barriers, and disability awareness. Additionally, campus/community resources, college regulations, and proficiency expectations are covered.
