

WIRELESS PRINTING

FROM YOUR PHONE, LAPTOP, OR TABLET

3 WAYS TO PRINT

Website

- Go to <http://www.Printeron.net/arc/print>
- Choose "Library" in Printer Box
- Enter your email address to get a release code
- Select document
- Click Print
- Go to the GoPrint Station and enter the release code to print your document

Email

- Attach your document to an email, then send it to **arc-library@printspots.com**
- You will be sent a release code for the email message and each attachment
- Use these release codes to print your documents.

PrinterOn App

- Go to <http://www.printeron.com/apps.html>
- Download and install app
- Open app and select American River College as your printer
- Select desired files to print
- Enter your email and a release code will appear
- Use the release code to print your documents.

- Print jobs will stay in the queue for 2 hours.
- Black & white: \$.10/page (Color: \$.30/page - only from library desktops)
