Circumstances Leading to Dismissal Status
Your academic performance has not been satisfactory during past semesters. Remembering that dismissal generally involves multiple terms of poor pursuit/progress, describe the circumstances that affected your performance over this period. Feel free to attach supportive documentation and use additional sheets of paper. ____________________________________________________________

Work Hours (required): I anticipate my work hours will be ______ hours per week.

I request consideration for reinstatement to American River College (or another Los Rios college) following dismissal. I agree to comply with all conditions for reinstatement identified herein. I acknowledge and understand that: 1) my Los Rios enrollment will be reviewed for compliance; 2) a finding of noncompliance may result in my administrative withdrawal from all currently enrolled classes and my enrollment denied for the next enrollment cycle; 3) such a withdrawal may require repayment of any associated financial aid funds received; 4) I am responsible for submitting a Request for Exception form by the end of the first week of instruction if I am unable to comply with any condition for reinstatement; 5) my continued enrollment requires the successful completion of all enrolled courses; 6) my subsequent registration may be delayed to confirm successful completion of current course work. In the event I do not enroll for the approved term, I acknowledge that all reinstatement conditions remain in effect for my next enrollment.
