

# Your English, Math and ESL Assessment Placement Results are Available Online Through Your eServices Account!

Assessment placements printed from eServices can be used for verification of course eligibility at all Los Rios Colleges.

- Log onto your eServices account using your student id number and password;
- Click on the **Steps to Success** tab (see below);
- To see all the test results listed in your eServices account, click on the yellow **Print Placements** button just below the **First Steps** table;
- ESL placement results are available in the ARC Assessment Center in 3 working days. Please allow another 2 days (total of 5 business days) for ESL placements to be available on eServices;
- All Assessment results may also be picked up at the ARC Assessment Center in the Student Services Building. A valid photo ID is required.

If you have questions, please come into the ARC Assessment Center in the Student Services Building or call (916) 484-8423.

The screenshot shows the Los Rios eServices account interface. The 'Steps to Success' tab is selected and circled in red. Below it, the 'First Steps' table is visible, with a 'Print Placements' button circled in red. The 'Assessment Placements' table shows results for English - Reading and English - Writing. Below this, the 'Select Courses For Planner' table is visible, with an 'Add To My Planner' button circled in yellow.
